WHEREAS, private sector led Workforce Development Boards can serve as vital local bodies which can provide comprehensive and integrated policy guidance for all publicly funded workforce development services; and

WHEREAS, Workforce Development Boards can also play an invaluable role in mobilizing and encouraging investments by North Carolina employers and citizens in skill upgrading and lifelong learning so that our state's workforce remains an internationally competitive asset; and

Additionally, to achieve coordination with statewide economic development planning and policy, local or regional Workforce Development Boards will be linked with the appropriate region(s) of the North Carolina Partnership for Economic Development.

B. The local or regional Workforce Development

Boards designated and established under the powers of this Executive Order are considered an interim step until the issues of sub-state service areas and local or regional planning and governance boards are addressed by pending Federal workforce development "block grant" legislation.

Section 2. MEMBERSHIP.

A. Membership of Workforce Development Boards shall be as specified under Section 102 of the Federal Job Training Partnership Act.

B. Procedures for nominations, appointments, and terms of office shall be under the provisions of Section 102 of the Federal Job Training Partnership Act, and continue the requirement to have a private sector chair and at least 51% of its membership from private sector employers. Local elected officials shall continue in their role of appointing authority as specified in the Federal Job Training Partnership Act.

C. Membership of currently existing Private Industry Councils will be certified as being in accordance with the provisions of the Federal Job Training Partnership Act by the Commission on Workforce Preparedness prior to designation of existing Private Industry Councils as Workforce Development Boards.

2. Advise local elected officials, employers, local education agencies, and community colleges, State and local employment and training agencies and citizens about policy, programs and other information relative to their service area workforce;

3. Serve as a point of contact for business, industry, and the public sector to communicate their workforce needs;

Section 5. COOPERATION OF STATE AGENCIES.

A. All state agencies and their local service delivery entities shall cooperate with the Commission on Workforce Preparedness and the local or regional Workforce Development Boards as this local governance process is implemented. Therefore, it is anticipated that after transitioning into Workforce Development Boards, multiple funding sources derived from the federal and state workforce development programs will be available for professional and administrative support of the Workforce Development Boards.

TITLE 15A - DEPARTMENT OF ENVIRONMENT, HEALTH, AND NATURAL RESOURCES

CHAPTER 2 - ENVIRONMENTAL MANAGEMENT

SUBCHAPTER 2L - GROUNDWATER CLASSIFICATION AND STANDARDS

SECTION .0200 - CLASSIFICATIONS AND GROUNDWATER QUALITY STANDARDS

Notice of Rule-making Proceedings is hereby given by the Environmental Management Commission in accordance with G.S. 150B-21.2(b). The agency shall subsequently publish in the Register the text of the rule(s) it proposes to adopt as a result of this notice of rule-making proceedings and any comments received on this notice.

Rule Citation: 15A NCAC 2L .0202

Statutory Authority for the rule-making: G.S. 143-214.1; 143B-282(a)(2)

Statement of the Subject Matter: 15A NCAC 2L .0202 - GROUNDWATER QUALITY STANDARDS; (EIGHTEEN CHEMICALS)

The amendment to 15A NCAC 2L .0202 proposes that the Groundwater Quality Standards for these substances in Class GA and Class GSA groundwaters be established as follows:

<u>SUBSTANCE</u>	<u>CONCENTRATION</u>
Acenaphthene.....	0.08 milligrams/Liter
Acenaphthylene.....	0.21 milligrams/Liter
Anthracene.....	2.10 milligrams/Liter
Atrazine.....	0.0030 milligrams/Liter
Benzo(a)anthracene.....	0.0000479 milligrams/Liter
Benzo(g,h,i)perylene.....	0.21 milligrams/Liter
Bromodichloromethane.....	0.00056 milligrams/Liter
Caprolactam.....	3.5 milligrams/Liter
Carbon Disulfide.....	0.7 milligrams/Liter
Chloroethane.....	2.80 milligrams/Liter
Chrysene.....	0.00479 milligrams/Liter
1,3-Dichloropropene (cis and trans isomers).....	0.00019 milligrams/Liter
Diphenyl.....	0.35 milligrams/Liter
Fluoranthene.....	0.28 milligrams/Liter
Isopropyl Ether.....	0.07 milligrams/Liter
Methanol.....	3.5 milligrams/Liter
Pyrene.....	0.21 milligrams/Liter

Simazine..... 0.0035 milligrams/Liter

Reason for Proposed Action: *The amendment to 15A NCAC 2L .0202, Groundwater Quality Standards, will establish groundwater standards for Acenaphthene, Acenaphthylene, Anthracene, Atrazine, Benzo(a)anthracene, Benzo(g,h,i)perylene, Bromodichloromethane, Carbon Disulfide, Caprolactam, Chloroethane, Chrysene, 1,3-Dichloropropene(cis and trans), Diphenyl(1,1-Diphenyl), Fluoranthene, Isopropyl Ether(Diisopropyl Ether), Methyl Alcohol, Pyrene, and Simazine. Action to consider adoption of concentration levels for these eighteen substances as groundwater standards is necessary to satisfy requirements of 15A NCAC 2L .0202(c). All proposed Groundwater Quality Standards are the same as those concentrations that are presently in effect as Interim Maximum Allowable Concentrations. The proposed rule changes are being made to incorporate the most updated health information and concentration levels as Groundwater Quality Standards in 15A NCAC 2L .0202.*

Comment Procedures: *All persons interested in this proposed amendment are encouraged to submit written comments or questions to David Hance, EHNR-DEM: Groundwater Section, P.O. Box 29578, Raleigh, NC 27626-0578, (919) 733-3221. Comments will be accepted through March 20, 1996.*

The Codifier of Rules has entered the following temporary rule(s) in the North Carolina Administrative Code. Pursuant to G.S. 150B-21.1(e), publication of a temporary rule in the *North Carolina Register* serves as a notice of rule-making proceedings for a permanent rule that does not differ substantially from the published temporary rule.

TITLE 10 - DEPARTMENT OF HUMAN RESOURCES

Rule-making Agency: *North Carolina Child Day Care Commission*

Rule Citation: *10 NCAC 3U .0102, .2701 - .2704*

Effective Date: *January 1, 1996*

Findings Reviewed by the Codifier of Rules: *Approved*

Statutory Authority for the rule-making: *G.S. 110-90.2; 114-19.5; S.L. 1995, c. 507, s. 23.25(c)*

Reason for Proposed Action: *During the 1995 Regular Session the General Assembly passed legislation requiring all child day care providers to complete a criminal history check. Because the bill was not ratified until July 28, 1995 and the implementation date is January 1, 1996, there is not sufficient time to follow the procedures as required by the rules for permanent rule making. At the November 2, 1995 North Carolina Child Day Care Commission meeting the criminal records check law and proposed rules were discussed. The Division of Child Development also held an advisory meeting on November 9, 1995 with 20 individuals representing various child care organizations and providers to receive input on the temporary rules. A mailing was sent on November 30, 1995 to members of the NC Child Day Care Commission mailing list, notifying over 300 individuals of the teleconference held on December 7, 1995 to adopt the temporary rules. Findings Reviewed by the Codifier of Rules: Approved

Statutory Authority for the rule-making: G.S. 105-236; 105-241; 105-262

Reason for Proposed Action: Chapter 360 of the 1995 Session Laws amended the statutes transferring administration and collection of Insurance Premiums Tax from the Department of Insurance to the Department of Revenue. The effective date of this change is January 1, 1996. G.S. 105-241 requires the Secretary of Revenue to prescribe the method of payment of taxes. A significant number of taxpayers remitting the Insurance Premiums Tax annually pay an amount in excess of the Department's threshold for remitting by Electronic Funds Transfer (EFT); however, the Insurance Premiums Tax is not included in the administration rules for this payment method.

1. Both parties are properly before this Administrative Law Judge, in that jurisdiction and venue are proper, that both parties received proper Notice of Hearing required pursuant to North Carolina General Statutes 150B-38.
2. The North Carolina Sheriffs' Education and Training Standards Commission has authority granted under Chapter 17E of the North Carolina General Statutes and Title 12 of the North Carolina Administrative Code, Chapter 10, subchapter 10B, to certify justice officers as either deputy sheriffs or jailers, and to deny, revoke, or suspend such certification.
3. That 12 NCAC 10B .0204(c)(1) and (2) provides:
 - (c) that the Commission may revoke, suspend or deny the certification of a justice officer when the commission finds that the applicant for certification or certified officer:
 - (1) knowingly made a material misrepresentation of any information required for certification or accreditation from the Commission or the North Carolina Criminal Justice Education and Training Standards Commission.
 - (2) knowingly and designedly by any means of false pretense, deception, defraudation, misrepresentation, or cheating whatsoever, obtained or attempted to obtain credit, training or certification from the Commission or the North Carolina Criminal Justice Education and Training Standards Commission.
4. On December 13, 1994, the Petitioner was appointed as a deputy sheriff with the Jones County Sheriff's Office.
5. On December 13, 1994, the Petitioner completed a Personal History Statement (Form F-3) as part of his request for certification as a deputy sheriff through the North Carolina Sheriffs' Education and Training Standard Commission. In response to Question #47 of the Personal History Statement which reads, "Have you ever been arrested by a law enforcement officer or otherwise charged with a criminal offense?", the Petitioner indicated a previous criminal charge of assault out of Columbus, Georgia on February 28, 1984.
6. On September 30, 1968, Petitioner was charged by the Anniston County Police Department in Alabama with the criminal offenses of Disorderly Conduct (fighting) and Assault with a Gun. The criminal index cards retained by the Anniston Police Department show the Petitioner paid a fine of \$32.00 for the disorderly conduct charge and the assault with a gun charged was *not proessed*. No other records exist of these offenses.
7. On June 12, 1995, Joan G. Neuner, Director of the Sheriffs' Education and Training Standards Commission, sent to the Petitioner by certified mail, a letter advising the Petitioner that probable cause had been found to believe that he was not currently qualified to receive certification as a justice officer for making material misrepresentations of his prior criminal history information on his application form.

Adjudicated Facts

8. At the time that the Petitioner received his appointment as a deputy sheriff, the newly elected Sheriff of Jones County was in the process of establishing an entirely new sheriff's department. Because of the lack of transition from one sheriff's administration to another one, the atmosphere at the sheriff's department was described by several of the witnesses as "total chaos."
9. Robert R. Mason assumed the responsibilities of Sheriff of Jones County on December 5, 1994. Previously, he served twenty-five years with the North Carolina State Highway Patrol. Because he was new to the position, Sheriff Mason relied heavily upon the experience and expertise of Robert B. Miller, a retired Highway Patrolman who he had hired as Bailiff and to perform administrative duties, and Eddie Rowe, a veteran deputy sheriff with twenty-eight years with the Craven County Sheriff's Department, for the processing of the newly appointed deputy sheriffs. Mr. Rowe instructed the new deputies to consult with Robert B. Miller if they had any questions about the forms.
10. The Petitioner and the other new deputies were given various forms to complete, including the Personal History Statement which is at issue in this case. They were instructed to fill out the forms truthfully. In addition they were

sent to have criminal record checks done.

11. The Petitioner provided the following answers to pertinent questions on the Personal History Statement:

#39. Were you ever court martialled, tried on charges, or were you the subject of summary court, deck court, captain's mast or company punishment, or any other disciplinary action while a member of the armed forces?

Answer: Yes, Bn Art #75 speeding, 1969.

#47. Have you ever been arrested by a law enforcement officer or otherwise charged with a criminal offense?

Answer: Assault (which I didn't do) 1984, Columbus GA; I went to court once/gave lawyer I believe \$300.00 Never heard anything else

#48. Have you ever been charged with or convicted of a felony?

Answer: Yes. I never was lock up or given a sentence, It was and (sic) Xgirl, when she found out I got married, she said I "assaulted" her

12. When the Petitioner went over his Personal History Statement with Mr. Miller, Mr. Miller added information obtained from the criminal record check about the 1984 assault charges so that the answer to question #47 included the date "Feb.28", listed the Law Enforcement Agency as "Columbus GA. P.D.", and added "simple battery" to the information regarding the Offense charged. With regard to question #48, Mr. Miller changed the Petitioner's "Yes" response to a "No." Mr. Miller did not ask the Petitioner whether there had ever been any other charges brought against him.

13. When the Petitioner had his criminal record checks done, both a NCIC and a DCI check were performed. Neither record check listed any 1968 charges from Anniston, Alabama.

14. When Sheriff Mason was notified by the Respondent that there were problems with the Petitioner's application for certification because he omitted 1968 charges from Anniston, Alabama, Sheriff Mason met with the Petitioner. When Sheriff Mason first informed the Petitioner that there was a problem because the criminal record check indicated that the Petitioner had a record, the Petitioner thought Sheriff Mason was referring to the 1984 assault charge in Georgia. When Sheriff Mason corrected the Petitioner's mistake by referring to charges from Alabama, the Petitioner appeared to be dumbfounded. It took the Petitioner a few minutes recall the events that took place in 1968. Once the Petitioner recalled the 1968 incident, he readily admitted to having been arrested in Alabama while in the military. He said he had not included that incident on his Personal History Statement because he had forgotten about it.

15. The Petitioner's explanation for not including the 1968 charges was that at the time the incident occurred, he reported it to his commanding officer and was told not worry about it. During his career in the military, the incident never became an issue as he progressed up the ranks and received various security clearances. Once he no longer had to list the incident on any applications for security clearances, the events eventually faded from his memory. At the time he completed his Personal History Statement, over 25 years had elapsed since the incident. During those 25 years, there had never been any negative repercussions from the incident that would have kept the incident fresh in his memory. At the time the Petitioner completed his Personal History Statement, he did not recall the 1968 incident and nothing appeared in his criminal record check to remind him of that event.

16. The Petitioner answered all of the questions contained in the personal history, totaling some 60 individual questions, as candidly as possible. He even erred on the side of checking the more serious offense of "felony" in response to question #48 when he was unsure of the gravity of the offense. It was Mr. Miller who changed the answer to that question.

17. The Petitioner's answer to question #47 was not intended to hide anything from the Commission. Nor was it answered incorrectly because he was afraid that he would be denied certification if he indicated he had been arrested in Alabama in 1968. If that had been the case, the Petitioner would not have listed any charges and he would not have characterized the 1984 incident as a felony. The fact that it took the Petitioner a little while to remember the 1968 incident, even when Sheriff Mason questioned him about it, is an indication that he did not knowingly make any false or material misrepresentations which were intended to deceive, defraud, misrepresent, or cheat in an effort

to obtain credit, training, or certification from the Commission or the North Carolina Criminal Justice Education and Training Standards Commission.

18. The Respondent ran a finger print check on the Petitioner. Neither the Petitioner nor the Jones County Sheriff's Office could do a finger print check. The finger print check for the Petitioner showed that he had charges in Anniston, Alabama.
19. The Criminal Record Index on the Petitioner that the Respondent received from Anniston, Alabama indicates that the Petitioner was charged with Disorderly Conduct-Fighting, Docket No. 10634, and Assault with a Gun, Docket No. 10635. He paid a \$32.00 fine in the Disorderly Conduct-Fighting charge. The Assault with a Gun charge was *not pressed*.
20. Mr. Miller testified that he is familiar with the Petitioner's character and reputation and that it is good. Mr. Miller also testified that the Petitioner is a good deputy sheriff and an essential employee of the Sheriff's staff because he is shift supervisor, a native of Jones County who is very well liked by the residents, and he is one of only two African-Americans on staff in a county that is approximately 50% African-American. Mr. Miller feels that the omission of the Alabama charges was an honest oversight by the Petitioner because it took him a while to recall the incident when Sheriff Mason questioned the Petitioner about it.
21. The Petitioner offered testimony from Gregory C. Butler, an Assistant District Attorney for the 4th Judicial District which includes Jones County. Mr. Butler has known the Petitioner for approximately one year. He considers honesty a critical character trait for a criminal justice official and would not allow the Petitioner to testify in the cases he handles if he had any question about the Petitioner's honesty. Mr. Butler considers the Petitioner to be one of the finest deputy sheriffs in all four of the counties that comprise the 4th Judicial District.
22. The Petitioner tendered Troy Peters, another Assistant District Attorney for the 4th Judicial District, as a witness. Mr. Peters' testimony would have been the same as Mr. Butler's.
23. Larry Meadows, Jones County's County Manager for the past twelve years, testified that he has known the Petitioner since December 1994. He is familiar with the Petitioner's character and knows him to be honest and professional.
24. Sheriff Mason testified that in his opinion, the Petitioner has done an extraordinary job as a deputy sheriff and it would cause harm to the Sheriff's Office if Petitioner is not allowed to remain on the force. He considers the Petitioner a critical employee. Sheriff Mason believes that Petitioner simply forgot about the Alabama incident because it occurred almost thirty years ago.
25. Jeffrey Steve Fulk is an attorney practicing in New Bern, North Carolina, and also a Reserve Officer with the Jones County Sheriff's Office since July 1995. The Petitioner has been involved in training Mr. Fulk. Mr. Fulk has had many occasions to observe the Petitioner performing his duties. In Mr. Fulk's opinion, the Petitioner is professional, respected by fellow officers and the public he serves, and is a leader in the Sheriff's Office.
26. The Petitioner tendered several persons from the community as character witnesses: Sheri Davenport, an attorney who has known the Petitioner for a year; Ida Franks and Robert Murrell, who have known the Petitioner all of his life. These persons would have testified to the Petitioner's outstanding character and reputation in the community.

Based on the foregoing Findings of Fact, the undersigned Administrative Law Judge makes the following:

CONCLUSIONS OF LAW

1. Both the parties are properly before this Administrative Law Judge, in that jurisdiction is proper and both parties received notice of the hearing.
2. The Petitioner did make a material misrepresentation on his Personal History Statement when he failed to include the 1968 charges arising out of Anniston, Alabama. The misrepresentation was material even though the Respondent's rules require commission or conviction of four or more misdemeanors in order to be subject to denial of the requested certification. See 12 NCAC 10B .0204(d). The Respondent contends that there were three charges

in 1968: disorderly conduct, fighting, and assault with a gun. Based, however, on the fact that there are only two docket numbers and the fact that a disorderly conduct charge must be based on some specified action, the undersigned concludes that there were only two charges: disorderly conduct, i.e. fighting, and assault with a gun. Therefore, even if the Petitioner had listed the Alabama charges, 12 NCAC 10B .0204(d) would not have been applicable. The misrepresentation was material because it prevented the Respondent from investigating the circumstances surrounding the 1968 charges.

3. The Respondent failed to establish by the greater weight of the evidence that the Petitioner "knowingly" misrepresented the facts by failing to include the 1968 Alabama charges on his Personal History Statement. The Respondent argues that people do not "forget" events as significant as an arrest. The Petitioner does not contend that he has no recollection of the Alabama incident. He merely contends that the incident did not come to mind while he was completing his Personal History Statement and nothing occurred during process of assembling the documents required for certification to remind him of that incident. The evidence was overwhelming that the Petitioner is a honest, trustworthy, hard working, and well respected citizen of Jones County. There was no evidence presented that would cause one to question the Petitioner's honesty. Therefore, the undersigned concludes that the Petitioner did not knowingly make a material misrepresentation of any information required for certification by the Commission.

RECOMMENDED DECISION

APPEARANCES

Respondent: James P. Longest, Jr.,
Associate Attorney General
N.C. Department of Justice
Raleigh, North Carolina 27602

ISSUE

Whether Petitioner, a Certified Wastewater Treatment Plant Operator, made access to the treatment system of the City of Greensboro at some location other than the treatment plant and by this manner disposed of sludge without the City's knowledge and without complying with their policies and requirements.

PETITIONER'S MOTION FOR SUMMARY JUDGMENT

At the outset of the hearing, Petitioner moved to renew its Motion for Summary Judgment which previously had been submitted in writing and denied during a telephone conference hearing on July 20, 1995. The written order denying that Motion was filed on July 24, 1995.

The essence of Petitioner's Motion is that Respondent is barred by the doctrine of res judicata from further action against Petitioner's certificate based upon the same facts and circumstances alleged in an earlier certificate action heard by Administrative Law Judge Thomas R. West on October 3, 1994. In a Final Decision in 94 EHR 0424, filed on October 11, 1994, Judge West made the following Findings and Conclusions:

[a]t the beginning of the hearing, Petitioner revisited the issues raised in his Motion for Summary Judgment and moved to dismiss the case for lack of proper notice. Full and complete argument was heard from counsel. The Commission announced that it would be prepared to put on evidence that Petitioner disposed of the sludge into collector lines which led to the treatment plant, thus defrauding Greensboro by introducing sludge into its system without paying fees and having the waste analyzed.

The Administrative Law Judge announced, that, upon consideration of the whole record, he was prepared to conclude that Petitioner had been given notice, at the time the

Commission acted to revoke his permit, that the permit was being revoked for fraudulently bringing sludge into the waste treatment plant, disposing of it there at the plant and not paying a fee or submitting it to analysis. The Administrative Law Judge announced that if the Commission presented evidence on that theory, that the Commission would not necessarily be prevented from taking subsequent action on the two fraud theories expressed after the revocation. The Administrative Law Judge announced that if the Commission did not put on evidence that Petitioner defrauded Greensboro by bringing sludge into the facility and dumping it there without paying a fee or having it analyzed, then this case would be dismissed for failure to prosecute. The Administrative Law Judge told the parties that ruling would be res judicata on the issue noticed, but that the Administrative Law Judge did not consider it to be res judicata on issues not noticed for hearing, i.e., that Petitioner had defrauded Greensboro by disposing of sludge into collector lines or a creek. The Administrative Law Judge noted, and the parties seemed to agree, that illegal dumping of sludge into the receiving waters of the State was not an issue of defrauding the Greensboro treatment facility.

The Commission declined to introduce evidence that Petitioner fraudulently disposed of sludge into the City of Greensboro's treatment facility by bringing sludge to the plant, disposing of it at the plant and failing to pay a fee or have the sludge analyzed.

The Administrative Law Judge concludes, upon consideration of the record as a whole, that that is the basis upon which the Commission sought to revoke Petitioner's certificate and gave notice sufficient to meet the requirements of due process.

Accordingly, the contested case is DISMISSED for Respondent's failure to put on any evidence.

IT IS SO ORDERED. (Emphasis in original).

In the undersigned's Order filed on July 24, 1995, the following Findings and Conclusions were made:

1. since matters outside the pleading are considered, this Motion is treated as one for Summary Judgment under G.S. 1A-1, Rule 56; the parties agreed that each had full opportunity to discover and file supportive material;
2. this Motion seeks to bar Respondent's present certificate revocation action because of the res judicata effect of the decision rendered by Administrative Law Judge Thomas R. West in 94 EHR 424 on October 11, 1994;
3. having considered the Motion, Respondent's response and documents of record, the undersigned concluded, and hereby affirms, that Respondent is barred by the doctrine of res judicata from proceeding on the theory that Petitioner dumped or placed sludge into the Greensboro sewage treatment facility by placing it into the North Buffalo Plant directly; and
4. Respondent is not barred from proceeding on a theory that Petitioner improperly disposed of sludge by dumping or placing it into the Greensboro treatment facility at some point other than directly at the North Buffalo Plant.

For the reasons set forth in Judge West's Final Decision of October 11, 1994 and the undersigned's Order of July 24, 1995, Petitioner's oral motion to renew his earlier Motion for Summary Judgment is hereby DENIED.

FINDINGS OF FACT

1. The parties received notice of hearing more than fifteen (15) days prior to the hearing and each stipulated on the record that notice was proper in all respects.
2. The parties stipulated on the record and in a written document at the outset of the hearing that each agreed

to the consolidation of the above-entitled cases for purposes of hearing and decision.

3. Petitioner holds a Grade IV Wastewater Treatment Plant Operator Certificate issued by Respondent. He operates several small wastewater treatment plants in Guilford County as the operator in responsible charge. Petitioner worked for the City of Greensboro for a number of years, leaving in 1979 to go into business for himself.

4. On May 18, 1993, Michael Mickey, an employee of the Division of Environmental Management, Department of Health, Environment, and Natural Resources, visited Petitioner's wastewater treatment plant at Hidden Forest Mobile Home Park to conduct a routine compliance inspection. In such an inspection, Michael Mickey would take samples of treated wastewater to compare the contaminants being discharged against the limits imposed in the wastewater discharge permit for that facility.

5. During Michael Mickey's inspection of the plant, he observed floating solids below the effluent or discharge pipe and sludge deposits on the bottom of the creek into which the plant's discharge flowed. This being an undesirable and unexpected condition, Michael Mickey asked Petitioner about his removal of sludge from the treatment plant. Sludge is a natural by-product of a wastewater treatment plant of this type and must periodically be removed from the plant for disposal in an approved manner.

6. Petitioner stated to Michael Mickey that he was pumping sludge out of the treatment plant twice per month and hauling it in his pumper truck to the City of Greensboro's North Buffalo Treatment Plant for disposal.

7. Of the two (2) wastewater treatment plants operated by the City of Greensboro, only the North Buffalo Plant has a specific facility on-site for acceptance of sewage sludge hauled in by truck. The City issues permits at a cost of \$24 per thousand gallons which a sludge hauler must possess before he is allowed to dump into the North Buffalo Plant. Before a load is dumped into the specific site at the North Buffalo Plant, an operator tests the load for pH and the driver of the pump truck is given a receipt for each load dumped.

8. On May 19, 1993, Michael Mickey went back to Petitioner's Hidden Forest wastewater treatment plant. On this visit, Petitioner told Michael Mickey that he had no record of the sludge dumps into the North Buffalo Treatment Plant.

9. On May 20, 1993, Michael Mickey returned to Petitioner's Hidden Forest Wastewater Treatment Plant and was shown a calendar containing alleged sludge pumping dates from the Hidden Forest Plant by Petitioner. The dates ran from January, 1993 through May, 1993.

10. The North Buffalo Plant has no records of sludge dumps by Petitioner for the period from January, 1993 through May, 1993.

11. Michael Mickey has no personal knowledge that Petitioner has improperly disposed of sludge from the Hidden Forest Wastewater Treatment Plant.

12. As a result of the 1993 inspections by Michael Mickey, the Division of Environmental Management's Water Quality Regional Supervisor, Steve Mauney, issued a show cause order directing Petitioner to appear for a hearing.

13. A hearing was scheduled for June 24, 1993. On June 23, 1993, Petitioner delivered a letter from himself to Steve Mauney in which he gave dates from his calendar upon which he had transported sludge from the Hidden Forest Wastewater Treatment Plant to the North Buffalo Wastewater Treatment Plant.

14. Steve Mauney talked to Petitioner by telephone on July 24, 1993. Petitioner stated that it was possible to lose three thousand (3,000) gallons of sludge in a twenty thousand (20,000) gallon plant. He further stated that he had hauled sludge from the Hidden Forest Plant to three (3) other wastewater plants he was operating.

15. During a telephone call between Steve Mauney and Petitioner in July, 1993, Petitioner stated that his lack of receipts from the North Buffalo Plant did not indicate that he had not dumped sludge there.

16. Petitioner attended a show cause hearing on July 30, 1993 at which he reaffirmed that he had hauled "seed sludge" from Hidden Forest to three (3) other plants he operated at a rate of approximately three thousand (3,000) gallons

per trip. The proper location to place sludge in a wastewater treatment plant is into the aeration basin. Petitioner stated that he placed the "seed sludge" he hauled into the digester at the wastewater treatment plant or plants which he seeded.

17. Petitioner holds a land application sludge disposal permit which enables him to dispose of sludge by land application without going through the North Buffalo Plant.

18. Steve Mauney has no personal knowledge of any improper sludge disposal by Petitioner.

19. Martha Groom is the Lab and Industrial Waste Supervisor for the City of Greensboro. She checked the records of the North Buffalo Plant and could find no record of sludge brought into the plant by Petitioner during the period from January, 1993 through May, 1993. She conducted an internal investigation to determine whether someone had assisted Petitioner in making unpermitted sludge dumps into the North Buffalo Plant. No such person or persons were discovered.

20. In a meeting in 1994 attended by Petitioner and Supervisor Groom, Petitioner stated that the people in the Greensboro System who had helped him would not come forward and that they had helped him because his truck was broken. In the week following this meeting, Petitioner approached Supervisor Groom at the North Buffalo Plant and told her that both she and the State misunderstood; that he never had said that his helper in the Greensboro System was at the North Buffalo Plant.

21. The Greensboro Sewage Treatment System contains approximately 20,000 manholes and approximately 1,700 miles of mainline. If Petitioner dumped sludge into one of these manholes or into a carwash drain, it eventually would travel to one of the Greensboro wastewater treatment plants.

22. North Carolina General Statute Section 90A-41 provides that:

The Commission, in accordance with the procedure set forth in Chapter 150B of the General Statutes, may suspend or revoke a certificate or may issue a written reprimand to an operator if it finds that the operator has practiced fraud or deception; that reasonable care, judgment, or the application of his knowledge or ability was not used in the performance of his duties; or that the operator is incompetent or unable to properly perform his duties.

N.C. Gen. Stat. 90A-41 (1992).

CONCLUSIONS OF LAW

Based upon the foregoing Findings of Fact, I make the following Conclusions of Law.

1. The parties are properly before the Office of Administrative Hearings.

2. During the events leading up to this disciplinary action, Petitioner made hearsay statements to various regulatory officials, admitted into the evidence in this contested case hearing as admissions of a party opponent, that he had hauled and disposed of approximately 3,000 gallons of sludge once or twice per month to the North Buffalo Plant and, inconsistently, made statements that he had used that sludge to seed other wastewater treatment plants under his care. Such inconsistent statements to regulatory officials about the ultimate disposal of sludge constitute the practice of deception, within the meaning of G.S. 90A-41.

3. Respondent, however, has not given Petitioner notice of its intent to prove deception on his part in the performance of his duties; its notice of revocation gave him notice only that the Commission intended to prove that he had made access to the treatment system of the City of Greensboro at some location other than the treatment plant.

4. Respondent has not demonstrated by a preponderance of substantial evidence that Petitioner made access to the treatment system of the City of Greensboro at some location other than the treatment plant. Although the evidence would support a finding of deception by Petitioner, he has not been afforded the due process requirements of notice and opportunity to be heard on that issue and the revocation notice has not been amended to conform the notice with the evidence presented.

RECOMMENDED DECISION

CONTESTED CASE DECISIONS

Based upon the foregoing Findings of Fact and Conclusions of Law, it is hereby recommended that Respondent reverse its decision to revoke Petitioner's wastewater treatment plant operator's certificate as not supported by the evidence.

ORDER

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statute 150B-36(b).

The North Carolina Administrative Code (NCAC) has four major subdivisions of rules. Two of these, titles and chapters, are mandatory. The major subdivision of the NCAC is the title. Each major department in the North Carolina executive branch of government has been assigned a title number. Titles are further broken down into chapters which shall be numerical in order. The other two, subchapters and sections are optional subdivisions to be used by agencies when appropriate.
